Directions to the Bridgwater Branch from the Burnham-on-Sea Branch

Follow A38 or use motorway to Junction 23 into and through the town towards Taunton.

In either case continue to follow A38 (Bristol Rd) into Bridgwater. As you reach the outskirts of the town you will reach a roundabout (BMW garage and Langdons are located here) from which we are signposted down Showground Road. Alternatively, take the M5 South to Junction 24. At this exit, follow the A38 towards Bridgwater. You will find us signposted off the A38 at the same roundabout as described above.
